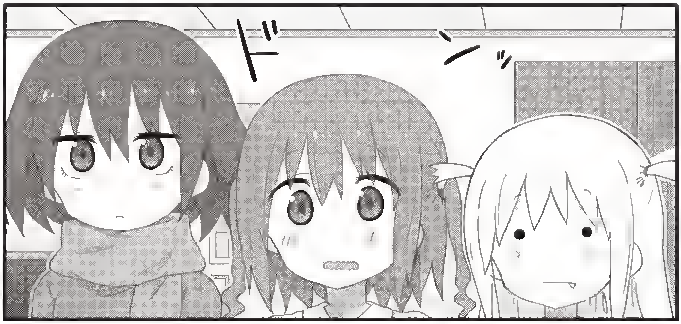
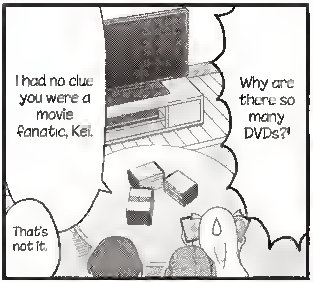
松 圭の恋愛



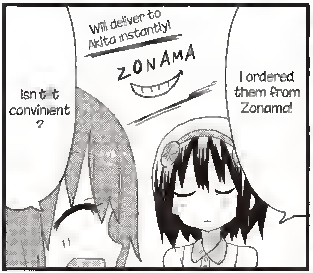
You might be wondering..
Why I gathered you all at my house today

The reason is...
I'd like to watch movies with all of you!
Yay!
Why though?

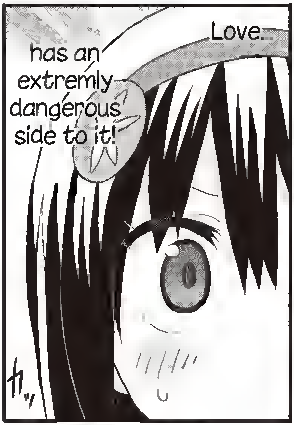


Why are there so many DVDs?!
I had no clue you were a movie fanatic, Kei.
That's not it.

Ooooh!

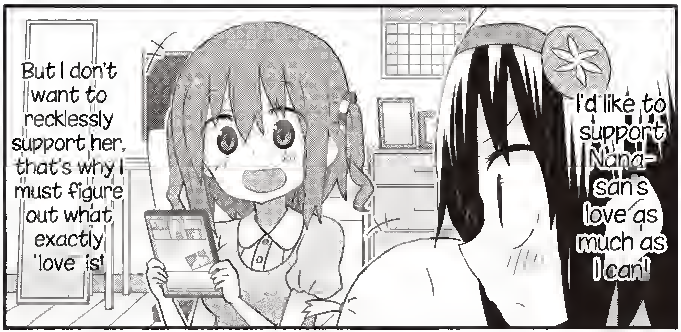


I ordered them from Zonama!
Will deliver to Akiba instantly!
ZONAMA
Isn't it convinient?

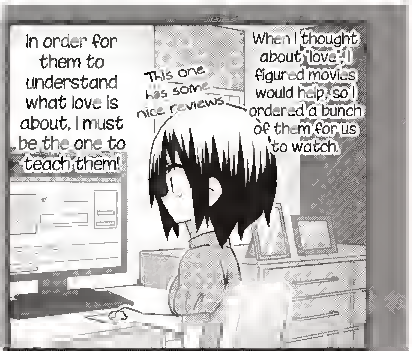


Love...
has an extremly dangerous side to it!

.....
There's so many different ones
Kori-chan, is there any you'd like to watch?

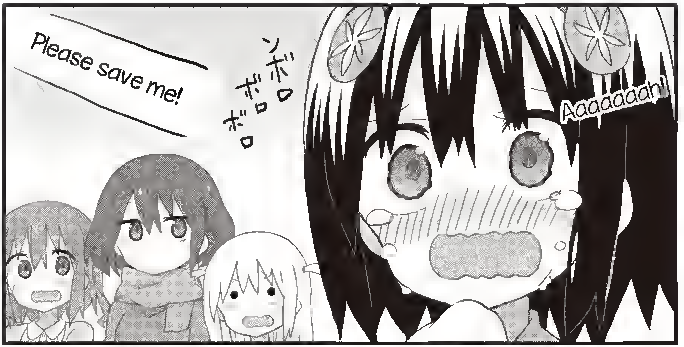


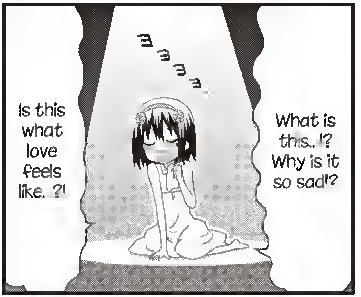
I'd like to support Nano-san's love as much as I can!
But I don't want to recklessly support her, that's why I must figure out what, exactly, 'love' is!



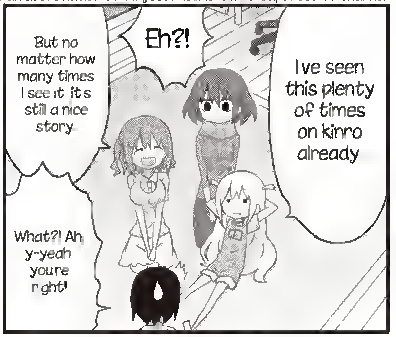
In order for them to understand what love is about, I must be the one to teach them!
This one has some nice reviews.
When I thought about 'love', I figured movies would help, so I ordered a bunch of them for us to watch.

TLN: This movie is a parody of 'Crying Out Love, In the Center of the World'. The plot revolves around a man who listens to audio diaries recorded by his school crush before she died.

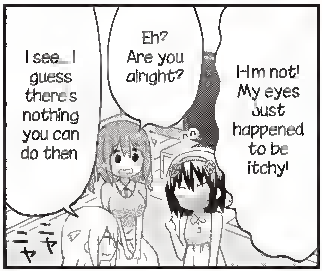


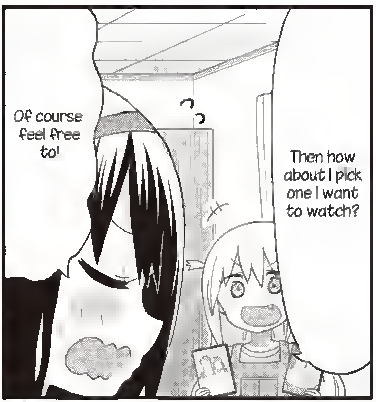


TLN: "Kinro" is an abbreviation of "Kinyoubi Roadshow", a Japanese TV channel



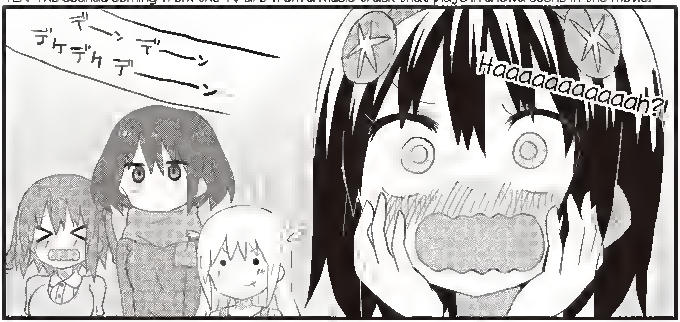
But no matter how many times I see it it's still a nice story
Eh?!
I've seen this plenty of times on kinro already
What?! Ah, y-yeah you're right!

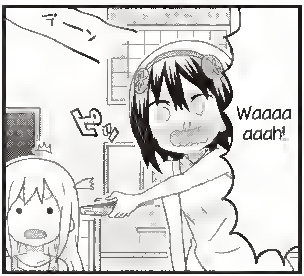


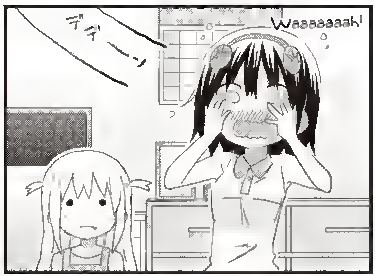


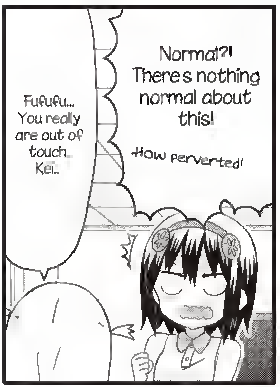
TLN: This movie is a parody of "Platonic Sex" a semi-autobiographical story about the writer Ai Iijima. The story is about a young girl who runs away from home and becomes an adult movie star.

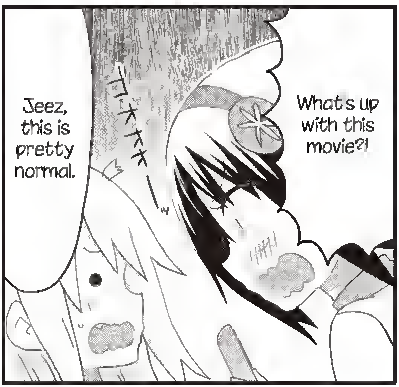
TLN: The sounds coming from the TV are from a music track that plays in a lewd scene in the movie.



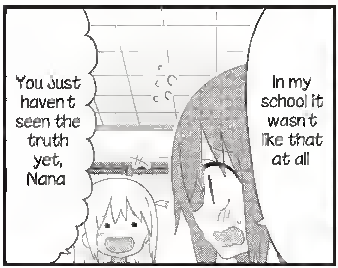






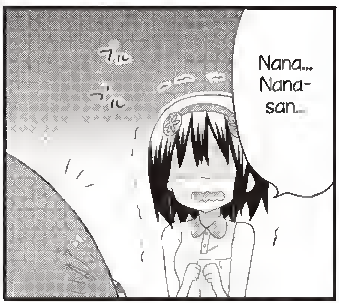


Today's youngsters sexuality is not what it used to be The metropolitan areas in particular are a pandemonium of debauchery
Pornographic comics and magazines are everywhere If you go on the internet there's erotic ads, and if you go on your smartphone there's BL ads.
According to Mitsuyo's investigation ※

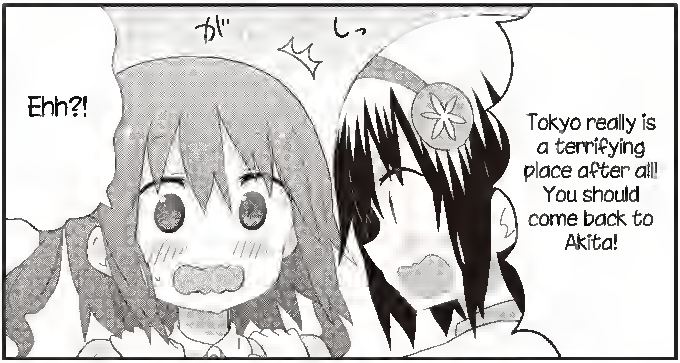


In my school it wasn't like that at all
You just haven't seen the truth yet, Nana

This is...
How young people are...!?
A-Are you sure..?



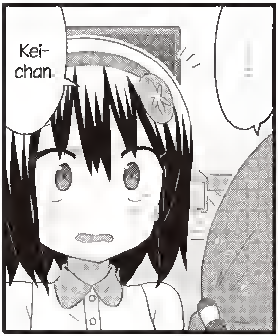
Nana... Nana-san...



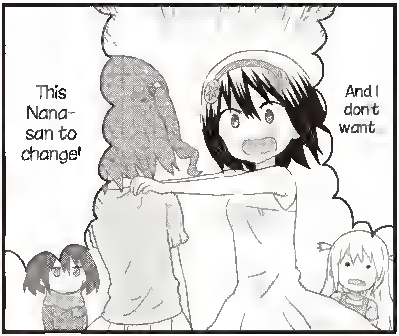
Ehh?!
Tokyo really is a terrifying place after all! You should come back to Akita!

However after coming to Akita and talking to you, I realized that's the wrong approach!
Because of that I never got close to other people!

ゴォォォォ
But I lived alone with my uncle, so I was never able to discuss such things..
In Kyoto before I moved, everyone was all about discussing love stories.

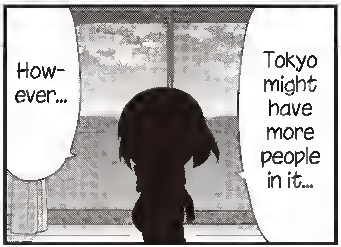


Kei-chan.



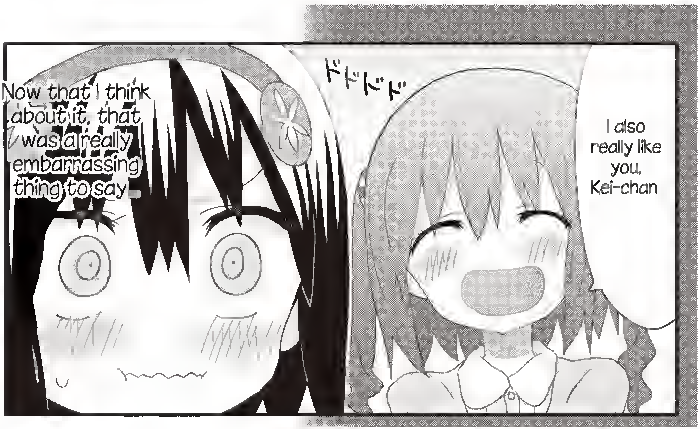
This Nana-san to change!
And I don't want

Thank you...
For worrying about me.
I also really like you Kei-chan
That won't change no matter where I go
.....

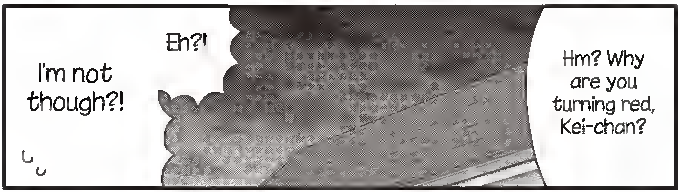


Text: Herbivores

Fureai Farm, Yuri Plateau
Hello
Kei and Mitsuyo didn't fully understand what "herb yore" meant...
Ah..
?
But they kind of pictured it
I guess that's a bit more reassuring.
But.

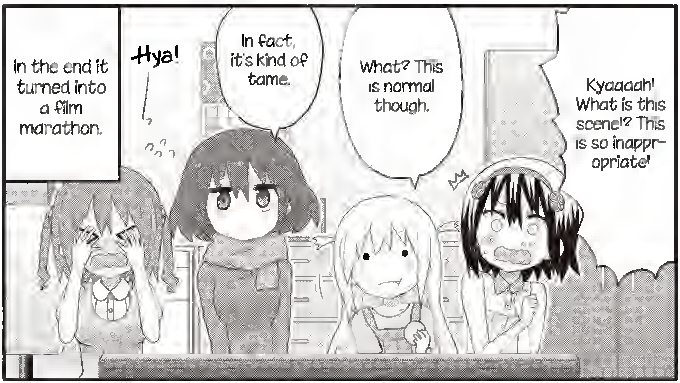


Now that I think about it, that was a really embarrassing thing to say
ドドド
I also really like you, Kei-chan



Eh?!
I'm not though?!
Hm? Why are you turning red, Kei-chan?

And...



In the end it turned into a film marathon.
Hya!
In fact, it's kind of tame.
What? This is normal though.
Kyaaaah! What is this scene!? This is so inappropriate!
